

## BANQUETS

Welcome

Thank you for considering Café Athena for your special event.

Our chef has created the following four-course menus, which represent some of our most popular specialties; we hope you enjoy these combinations. We serve these menus for lunch or dinner and are suitable if you are planning a wedding rehearsal dinner, a bridal shower or a birthday party at our family restaurant.

The goal of such menus is not only to simplify the ordering process but also to provide you with the best package of great food, low price and efficient service. You may however, customize the menu by combining any items from our a la carte restaurant menu and we will price it for you.

A minimum of ten covers is required and fifty covers is our limit.

Enjoy!
